

1 D+H Mechatronic (english)**1.1 Fire detector****1.1.1 Optical beam smoke detector - SD-O 371****works on the scattered light principle****Performance features:**

Automatic self-monitoring of function and state;
Individual display for alarm;
Resting value tracking;
Easy installation using removable base;

Technical data:

Nominal voltage: 24 V DC
Monitoring area: max. 110 m²
Monitoring height: max. 12 m
Alarm indicator: LED rot
Air speed: 0 - 25.4 m/s
Temperature range: -20 °C till +72 °C
Air humidity: ≤ 95 %
Type of protection: IP 40
Connection terminals: 0.6 mm Ø till 2 mm²
Housing: ABS
Colour: White (~ RAL 9010)
Specification: EN 54-7
VdS approval: G 213066

Scope of supply:

Detector incl. base

Brand: D+H Mechatronic AG

Type: SD-O 371
